Instructional Design and Technology M.S.

The graduate plan in Instructional Design and Technology (INST) leads to the Master of Science (M.S.) degree that prepares graduates to systematically design training and instruction.

The degree may be completed entirely online with one exception. Online students might not be able to take Master’s Degree Option 3: INST 6739 (Practicum) for their capstone experience if the proposed practicum site is 50 or more miles from the University of Houston-Clear Lake campus. Students in this situation would most likely be advised to pursue Options 2 or 4. For additional information regarding these plans, please contact a faculty adviser.

Check prerequisites before enrolling in any courses.

Degree Requirements

Professional Education Core (12 hours)

Required

Instructional Technology Core (15 hours)

Electives

Choose one elective course as advised.

Master’s Degree Options (6 hours):

Option 1

Option 2

Minimum of two semesters required for a maximum of six hours, with continuous registration until completion.

Option 3

INST elective course

Additional Information

- Practicum requires a minimum of 6 INST courses and the recommendation of the faculty adviser.
- All placement sites must have an approved UHCL Agreement of Affiliation on record with the Center for the Professional Development of Teachers office prior to beginning the practicum.

Option 4

Six hours from two INST electives courses

Additional Information

For additional information regarding these plans, please contact a faculty adviser.
