School Library and Information Science M.S. with School Librarian Standard Certificate EC-12 and Master Technology Teacher Certification

The graduate plan in School Library and Information Science leads to the Master of Science (M.S.) degree. Students completing this degree are eligible for certification as school librarians and master technology teachers. Students seeking the school librarian certification must hold a valid Texas teaching certificate and must be able to verify a minimum of two years of successful full-time classroom teaching experience in an approved accredited school. A passing score on the School Librarian state assessment is required prior to recommendation for this certificate. Students seeking the Master Technology Teacher Certification must hold a valid Texas teaching certificate and must be able to verify a minimum of two years of full-time approved successful teaching experience. A passing score on the Master Technology Teacher state assessment is required. The plan consists of 46 semester hours.

Students who meet the graduate admissions requirements to the College of Education (COE) (see Graduate Admissions Requirements) must meet additional requirements prior to being admitted to the School Librarian program. Each applicant must:

- have a GPA of 2.750 over the last 60 hours;
- provide proof of having a valid Texas teaching certificate; and
- provide a letter of support from a school building administrator.

Check prerequisites before enrolling in any courses.
