About the Undergraduate Catalog

For information regarding University of Houston-Clear Lake's undergraduate majors, rules that affect undergraduates, descriptions of undergraduate courses, and information about each college, please refer to the undergraduate catalog. The catalog also provides other helpful details, including general admissions information, procedures regarding acceptance into a degree program, and transcripts and records information. This catalog was published in May 2018, and becomes effective with the beginning of the fall 2018 semester.
